

Affiliate Agreement

Independent Affiliate / Referral Partner Agreement — Commission Only. No Exceptions.

Version 1.1 · Effective 22 September 2026 · Between **Strategic Crypto Reserve** ("SCR", "we", "us"), Comox Valley, British Columbia, Canada — support@strategiccryptoreserve.ca · +1-778-557-2041 — and the individual or entity who signs this Agreement or who begins referring prospects to SCR after receiving an Agent ID ("**Affiliate**", "you").

This Agreement governs every referral, cold-calling, lead-generation, content, social, or other affiliate arrangement between SCR and the Affiliate, for the AI Build Configurator licences and the Site Screening Report. Where a channel-specific document exists — the Caller Program Guide and Cold Call Script for phone-based callers — that document's script and compliance rules govern how you work the channel, and this Agreement governs how and when you are paid. Where they conflict on payment, this Agreement applies. The Affiliate must also comply with SCR's published [Privacy Policy](#) and [Terms of Use](#), and with the AI Build Configurator Licence Terms and Annual Usage Agreement (the product's software terms), as each is amended by SCR from time to time; see Section 4.4 and Section 7.2.

READ THIS BEFORE YOU REFER ANYONE. This is a commission-only agreement. You are paid solely when a prospect you referred becomes a Confirmed Sale and SCR has received full payment in cleared funds. There is no salary, no retainer, no hourly rate, no per-call or per-lead fee, no expense reimbursement, and no guaranteed minimum, under any circumstance. Section 5 sets this out in full and it has no exceptions. If you are not comfortable being paid entirely on commission, do not sign this Agreement.

1. Parties, Acceptance and Precedence

1.1 This Agreement is between SCR and the Affiliate named on the signature page, or, where no signature page is completed, the individual or entity who accepts an Agent ID from SCR and thereafter refers any prospect to SCR. Accepting an Agent ID, submitting a referral, or making a call, post or send on SCR's behalf is acceptance of this Agreement in full.

1.2 If the Affiliate is an agency, call centre or other organisation, "Affiliate" includes every individual who acts on its behalf, and the organisation is responsible for ensuring each of them complies with this Agreement.

1.3 Where the Affiliate operates as a phone-based caller under SCR's Caller Program, the Caller Program Guide and Cold Call Script (as amended by SCR from time to time) are incorporated into this Agreement by reference and govern the calling script, calling hours, disclosures and compliance rules. This Agreement's compensation terms (Section 5) govern regardless of anything to the contrary in those documents.

2. Definitions

Affiliate Products	The AI Build Configurator annual licences (Standard, Pro, Enterprise) and the one-time Site Screening Report, each as priced and described on SCR's product page and in the AI Build Configurator Licence Terms and Annual Usage Agreement (the "Licence Terms").
Agent ID	The unique identifier SCR issues to the Affiliate on approval. Every Referral must be tied to the Affiliate's Agent ID, either by the customer quoting it to SCR, by its use as a referral code at SCR's checkout, or by a dated hand-off record the Affiliate sends to SCR before the customer contacts SCR.

Referral	A prospective customer the Affiliate introduces to SCR in a manner consistent with this Agreement and any channel-specific guide, and for which the Affiliate holds a dated record (hand-off record, checkout referral, or equivalent) created before the customer first contacts or pays SCR.
Confirmed Sale	A Referral who purchases an Affiliate Product directly from SCR, through SCR's own checkout, quote or invoice, where SCR has received the full fee in cleared funds and SCR's own records confirm the Affiliate's Agent ID as the source. See Section 6.
Commission	The fixed amount payable to the Affiliate for a Confirmed Sale, per the table in Section 5.1. It is the Affiliate's entire compensation under this Agreement.
Governing Documents	SCR's Privacy Policy (strategiccryptoreserve.ca/privacy.html), SCR's Terms of Use (strategiccryptoreserve.ca/terms.html), and the AI Build Configurator Software Licence Terms and Annual Usage Agreement (strategiccryptoreserve.ca/ai-build-configurator-licence-terms.pdf), each as amended by SCR from time to time. The Affiliate must comply with all three; see Sections 4.4 and 7.2.

3. Appointment

3.1 SCR appoints the Affiliate, on a non-exclusive basis, to introduce prospective customers to SCR for the Affiliate Products. SCR may appoint other affiliates, run its own marketing, and sell directly, at any time, without notice to the Affiliate.

3.2 This appointment does not create a territory, quota, or any expectation of a minimum volume of Referrals in either direction. The Affiliate decides whether, when and how much to refer; SCR decides whether to keep the program open.

4. The Affiliate's Role and the Limits on It

4.1 The Affiliate's role is to introduce prospective customers to SCR. Only SCR completes a sale. Consistent with clause 15.1 of the Licence Terms, the Affiliate is an independent contractor, not an employee, agent or partner of SCR, and has **no authority** to:

1. bind SCR to any agreement;
2. quote a price, discount, currency, or payment term different from what SCR publishes;
3. promise a feature, region, delivery date, or outcome SCR has not published in writing;
4. take payment, card details, a deposit, or any form of value from a prospect or customer, in any currency, for SCR or itself; or
5. issue a licence key, invoice, or receipt on SCR's behalf.

4.2 Every prospect must be told to complete their purchase directly with SCR, through SCR's product-page checkout or a written quote or invoice from SCR. If a prospect asks to pay the Affiliate, or is asked to, the correct response is: "I can't take payment. Only Strategic Crypto Reserve can, through its own checkout or invoice." The Affiliate must never accept payment intended for SCR.

4.3 The Affiliate will represent the Affiliate Products truthfully and only from SCR's own published materials, will not make false, misleading or unauthorised statements, and will comply with the law of every place it contacts a prospect, including (without limitation) Canada's Anti-Spam Legislation and Competition Act, Canada's Unsolicited Telecommunications Rules, the United States CAN-SPAM Act, Telemarketing Sales Rule and Telephone Consumer Protection Act, and any

state or provincial equivalent. Where a channel-specific SCR guide sets out stricter rules for that channel, the Affiliate follows those rules.

4.4 The Affiliate will respect and comply with SCR's [Privacy Policy](#), SCR's [Terms of Use](#), and the AI Build Configurator Software Licence Terms and Annual Usage Agreement (the software's own terms, referenced in Section 2) in everything it does under this Agreement. In particular, the Affiliate will not: (a) describe the Affiliate Products, their pricing, their data sources, or what a licence includes in any way inconsistent with those documents; (b) collect, store, or pass on a prospect's or customer's personal information except as needed to make the Referral and for no longer than needed for that purpose; or (c) ask a prospect for more personal information than SCR's own checkout asks for. If any of those documents is amended by SCR, the amended version applies from the date SCR publishes it.

5. Compensation — Commission Only, No Exceptions

THIS SECTION HAS NO EXCEPTIONS

The Affiliate's **entire** compensation under this Agreement is the Commission described below, paid only for a Confirmed Sale. Regardless of the effort, time, cost or number of Referrals the Affiliate makes, SCR will **never** pay the Affiliate any of the following, under any circumstance, for any reason:

- a salary, wage, hourly rate, retainer, draw, or advance against future Commission;
- a fee per call, per lead, per click, per impression, or per Referral that does not become a Confirmed Sale;
- reimbursement of the Affiliate's expenses, tools, phone, data, advertising or travel costs;
- a signing bonus, minimum guarantee, or "kill fee" of any kind; or
- any payment at all where the customer's payment to SCR has not cleared in full.

If the Affiliate is ever offered, or asked to accept, compensation of a type not listed in clause 5.1, that offer is not authorised by SCR and does not vary this Agreement.

5.1 Commission is earned, per Confirmed Sale, at the following fixed rates. A Referral who buys more than one Affiliate Product earns the Affiliate the Commission for each one.

Affiliate Product	Customer pays SCR (CAD, before tax)	Affiliate Commission (CAD)
Pro licence	\$10,000 per domain per year (or \$18,000 for a two-year prepaid term)	\$200 per licence
Standard licence	\$4,000 per domain per year (or \$7,200 for a two-year prepaid term)	\$100 per licence
Enterprise licence	Quoted, from \$25,000 per year	\$1,000 per licence
Site Screening Report	\$950 one-time	\$50 per report

5.2 When Commission is earned. Commission is earned only when: (a) SCR has received the customer's payment in full, in cleared funds; and (b) SCR's own records confirm the sale traces to the Affiliate's Agent ID under Section 6. SCR's confirmation is final.

5.3 How and when Commission is paid. Commission is paid by **PayPal only**, in Canadian dollars, to a PayPal account the Affiliate has confirmed can receive CAD payments. Payment is made **30 days** after SCR confirms the sale as a Confirmed Sale under clause 5.2. PayPal's fees and any currency conversion are the Affiliate's own cost, the same as on

any PayPal transfer. SCR pays no Commission by any other method, including cash, cheque, e-transfer, cryptocurrency, or any platform other than PayPal.

5.4 Refunds and chargebacks. If a customer is refunded or charges back within 30 days of paying SCR, the Commission for that sale is not paid, or, if already paid, is deducted from the Affiliate's next Commission payment.

5.5 Sales that do not qualify. No Commission is payable on: a renewal of an existing licence; a sale SCR already had in progress before the Referral; a sale to a prospect who had asked not to be contacted; or a sale procured in breach of this Agreement, any channel-specific guide, or any law. No commission is paid on sales tied to a breach of this Agreement, even if the sale itself otherwise qualifies.

5.6 Taxes. The Affiliate is solely responsible for any tax owed on Commission received, and for its own status as an independent contractor for tax purposes in its own jurisdiction. SCR does not withhold tax from Commission and issues no benefits of employment.

6. How a Referral Becomes a Confirmed Sale

6.1 The customer must contact or pay SCR directly — by phone, email, or SCR's own product-page checkout — and quote or enter the Affiliate's Agent ID, or the Affiliate must have already sent SCR a dated hand-off record naming the customer, before the customer first contacts SCR.

6.2 Where the Affiliate operates under the Caller Program, the hand-off record and daily call log required by the Caller Program Guide are how the Referral is evidenced; a dated hand-off record decides the credit for a sale even where the customer forgets to quote the Agent ID.

6.3 SCR is the sole judge of whether a Referral is a Confirmed Sale, acting reasonably and on its own records. SCR will tell the Affiliate the product, the customer's company or name, and the date payment cleared, for every Confirmed Sale credited to the Affiliate's Agent ID.

7. Confidentiality

7.1 Any prospect list, script, pricing not on SCR's public product page, guide, or other material SCR gives the Affiliate is confidential. The Affiliate will use it only to perform under this Agreement, will not share, publish, or resell it, and will return or delete it if this Agreement ends.

7.2 Data protection. Any personal information about a prospect or customer that the Affiliate collects, sees, or generates in the course of a Referral (name, contact details, notes from a call or message) will be handled consistently with SCR's Privacy Policy: used only to make and evidence the Referral, kept only as long as needed for that purpose and for SCR's own record-keeping, not sold, rented, or used for any other purpose, and deleted or securely returned to SCR on request or when this Agreement ends. The Affiliate is responsible for its own compliance with the privacy law of the places it contacts prospects.

8. Term and Termination

8.1 This Agreement begins when accepted under clause 1.1 and continues until either party ends it. Either party may end it at any time, for any reason, with or without notice.

8.2 SCR may end this Agreement immediately, without notice, and withhold Commission on any Referral tied to the breach, if the Affiliate breaches this Agreement, any channel-specific guide, or any law described in clause 4.3.

8.3 Ending this Agreement does not affect Commission already earned under clause 5.2 before the end date, which SCR will still pay under clause 5.3. No Commission is earned for any Referral made, or any sale that clears, after the end date.

9. Independent Contractor Relationship

9.1 The parties are independent contractors. Nothing in this Agreement creates an employment relationship, partnership, joint venture, or agency other than the limited authority to introduce prospects described in Section 4. The Affiliate has no authority to act for SCR beyond that, and neither party is the other's agent for any other purpose.

10. No Guarantee of Earnings

10.1 SCR makes no representation about how many Referrals the Affiliate will make, how many will become Confirmed Sales, or what the Affiliate will earn. Past Commission paid to any affiliate is not a predictor of future Commission. This Agreement is not an offer of employment or income.

11. Liability

11.1 Neither party is liable to the other for indirect, incidental or consequential loss arising from this Agreement. SCR's total liability to the Affiliate under this Agreement is limited to unpaid Commission properly earned under Section 5.

12. Governing Law

12.1 This Agreement is governed by the laws of British Columbia and the federal laws of Canada applicable there, without regard to conflict-of-law rules, regardless of where the Affiliate is located.

13. Entire Agreement; Amendment

13.1 This Agreement, together with any channel-specific guide referenced in clause 1.3 and the Licence Terms referenced in Section 2, is the entire agreement between the parties about Commission-based referrals and replaces any prior oral or written understanding. SCR may amend this Agreement on notice to the Affiliate's last known email address; continuing to refer prospects after that notice is acceptance of the amendment. No verbal statement by anyone, including an SCR representative, varies this Agreement; only a written amendment issued by SCR does.

14. Notices

14.1 Notices to SCR: support@strategiccryptoreserve.ca or +1-778-557-2041. Notices to the Affiliate: the email address or contact information the Affiliate provided when issued an Agent ID.
